For Immediate Release

New partnership between JitneyTrade and Phases & Cycles Inc.

MONTREAL, September 9th, 2010 - JitneyTrade is pleased to announce a new partnership agreement with Phases & Cycles. Phases & Cycles® research will be retailed to JitneyTrade's online and professional clients as of Thursday 9th of September.

Founded by Ron Meisels in 1990, Phases & Cycles Inc. is one of the leading providers of independent research on North American equity markets. Combining the analysis of technical, cyclical and sentiment indicators, Phases & Cycles® publications provide clear and concise information on more than 400 U.S. and Canadian equities.

"JitneyTrade strives to provide the best combination of technology, service and information to accommodate the demands of active traders. This agreement gives our clients access to market commentary and analysis of more than 400 North American equities " says Francesco Pasin, President and Chief Executive Officer of JitneyTrade. "Ron Meisels has been repeatedly recognized as one of the top analysts of Canadian and U.S. equity markets and his insightful views will help our clients make informed investment and trading decisions."

"We are pleased to work with JitneyTrade on this new product initiative", declared Ron Meisels, President of Phases & Cycles Inc. "This service package combines JitneyTrade's trade execution services for a large variety of financial products with timely and actionable stock suggestions from Phases & Cycles. JitneyTrade's North American clients and its various trading platforms, when teamed up with our own firm's stellar reputation in the sphere of technical analysis on the North American equity markets, should ensure a winning combination and a successful business relationship for both of our organizations", Meisels concluded.
