

PHASES & CYCLES[®]

Ron's Briefs[®] (because they are short)

S&P/TSX and U.S. stock Indexes down.

Turkish lira continues to pull down markets.

.... were the glaring headlines of this morning's papers!

What actually happened yesterday?

The S&P/TSX was down 0.5%;

The DJI declined 0.5%;

The S&P 500 lost 0.4%;

The NASDAQ dropped 0.2%!

More wall of worry to climb!!

Thank you headline writers!

Ron
